OPTIMUS|EMR™

Optimus EMR, Inc. Certified by Ohio Board of Pharmacy for Interface with Framework Pharmacy Software

IRVINE, California – Optimus EMR, Inc. announced today, that effective December 17, 2013 the Ohio Board of Pharmacy certified its bi-directional pharmacy interface connected to Framework Software.

Robert C. Davis, CEO of Optimus, stated "This certification of the bi-directional Interface will produce many benefits for our customers and their contract pharmacies which use the Framework Software LTC system:

- Increased staff efficiency for the nursing home and pharmacy for order entry and order processing through real time bi-directional communication of orders, changes, substitutions, rejections and additional dispensing information.

- Increased safety through inbound return message quality checks and order text display. The double check of order text ensures the integrity and accuracy of the order and the medications being dispensed. The CPOE and pharmacy system are always in sync.

- Cost savings from real time formulary update options that make the current medication list available to physicians and nurses when entering an order. The additional cost of ordering non-formulary medications should be substantially reduced or eliminated.

About Optimus EMR, Inc.

Optimus EMR, Inc. is the long term care industry (LTPAC) leader in providing the most comprehensive Electronic Health Record (EHR), Point of Care documentation tools, "eCharting", Electronic Medication and Treatment Administration Records (eMAR/eTAR) and a full function physician module. The addition of the fully integrated billing/financial system ("OBFS") with all of its features makes the combination the industry leader in automation and sophistication. The system is designed to conform to all aspects and the intent of HIPAA and HITECH regulations.

The Optimus EMR System is a mature and time-tested true EHR Solution that has been fully operational in hundreds of facilities and over 34 states since 2001. For more information call The Company at (888) 242-9080, ext. 214 or visit the web site www.optimusemr.com
